Thirteen Men and Girls Known Dead and Bodies of Twelve Others May Be Uncovered When Ruins Are Searched

FORTY INJURED MANY FATALLY RUSS

Worst Disaster in Factory District of New York Since the Triangle Waist Company Fire When 148 Employes Perished

[Republican A. P. Leased Wire]

NEW YORK, Nov. 6 .- Thirteen mer and girls lost their life in a fire which destroyed an old four-story brick and wooden factory building in the Williamsburg section of Brooklyn, A search of the ruins is expected to uncover the bodies of twelve other victims, eight of the girls who were reported missing tonight. Of the forty injured in hospitals, many were expected to die, and a score more were less seriously burned and bruised.

The building was occupied by ; candy manufacturing concern, and three firms manufacturing clothing. whose employes normally totailed 300, but more than a third had been dismissed before the fire started, for a Saturday half holiday.

Girl Discovers Flames

The flames were discovered shortly before four o'clock by a girl employe "German counter attacks continue More allied troops are being sent of the candy factory which occupied south of Lake Sventon. Farther from Saloniki to the scene of the fightthe ground floor and basement and were soon roaring up the elevator shaft around which wound the principal stairway.

rear of the building and some of the and 712 men prisoners and captured can be sent to the Serbian northern entrapped persons escaped by that, but seven machine guns and two guns in army before the firemen arrived men and the fight near the village of Koeswomen were leaping from the windows, tinoukhova, west of Rafalovka. We bians apparently must be sent by the Today's disaster was the worst fac-

The flames spread so rapidly that ! escape for most of the employes in fighting in the region of the village was reported this morning that M. Zaithe building by stairs and elevator was of Semikovitz (Sienikowicz) and on mis had undertaken to form a new ca impossible. The only fire escape became jammed. The flames drove the entrapped men and women to the windows and forced them to jump. Of the ago, including the crossing of the and four were found hanging out of pectations. We took over \$500 men manian frontier, while Rumania, like long one. windows, charred beyond recognition. prisoners besides capturing a number Greece, is maintaining her neutrality Several of these were girls, burned to not yet determined, of officers and in the face of agitation in the country death in the sight of a great crowd of machine guns.
